Painted Furniture from the David Salmon Private Label range is made in Europe. The oak is European oak from sustainable sources and responsibly managed forests. All structural parts, where painted, are birch which is a hardwood and known for its strength.

Each piece is individually made giving you a huge choice of colour and wood finish. You can even choose the handles.

The manufacturer takes wood from the log, through kiln drying and all the way to the finished product. Nothing is bought in and the factory has control of the process at all stages giving you quality furniture for your home.
